Dear Neighbors,

Often words fail me but all of you don't. It truly warms my heart to receive your expressions of genuine neighborly love and concern for me and my family during our time of need.

I want to thank you so very much for all your help due to the fire that has left our home uninhabitable. Your kind assistance came at a time of dire need and in all honesty, words cannot express our gratitude in having neighbors like all of you.

There are times when I feel drained by the situation and want to give up. Just as that occurs, one of you shows up to lift our spirits.

From the bottom of our hearts, we thank you and please know that each and every one of you is very much appreciated.

Thank you,
 Marisa

From your neighbor in El Llano whose home was struck by lightning in July.
