Mira Lagos Amenity Updates

A major expansion project is underway near the clubhouse here at Mira Lagos. The Mira Lagos HOA board initially discussed plans to beautify the grounds near the clubhouse right before 2020, but the global pandemic thwarted the initial expansion plans. In February of this year, the board members reconvened and the Mira Lagos beautification project was given the green light.

What can Mira Lagos Residents expect to see?

- The Mira Lagos beautification project will include 102 additional parking spaces near the Clubhouse
- A 50' X 80' volleyball court
- New landscaping to add to Mira Lagos scenery
- Updated pool lighting for all Mira Lagos pools

What is the total cost of this project?

The total cost of this project is **\$134,702.⁶⁶**

Does Mira Lagos Own the Clubhouse?

Yes. As of 2022, Mira Lagos HOA is completely free of clubhouse debt.

Mira Lagos residents are in for a real treat now that expansion plans are officially set in motion. As it stands, the Mira Lagos beautification project will be the largest project for the final quarter of 2023, and will extend into the early parts of 2024.

We appreciate your patience as we work to make your community even more enjoyable!

Spooktacular School Lunches: Making Halloween Fun for Your Little Ghouls

Halloween is just around the corner, and what better way to celebrate this spooktacular holiday than by adding a pinch of creativity to your child's school lunch? Whether you have a little witch, a mini Dracula, or a tiny ghost at home, these fun and easy Halloween-themed school lunches will not only satisfy their tummies but also bring smiles to their faces. Here are some wickedly delightful ideas for transforming ordinary lunches into monstrously good feasts.

Monstrous Sandwiches:

Monster face sandwiches transform lunchtime into a thrilling experience. Grab bread, cheese, olives, bologna, and cucumbers. Use cheese slices and sliced cucumbers for the face. Add cheese eyes, olive pupils, and bologna mouths. Create hilarious faces for a lunch that's yummy and frighteningly fun.

Boonanas & Tangerine Pumpkins:

For a healthy, festive snack, make "boonanas" and tangerine pumpkins. Peel bananas and cut them in half, then use chocolate chips or raisins for ghostly faces. For tangerines, peel and add celery pieces as pumpkin stems.

Graveyard Pudding Cups:

Create spooky dessert with graveyard pudding cups. Fill small cups with chocolate pudding, top with crushed cookies for dirt, and add gummy worms. Use candy tombstones or cookies for a tiny graveyard. Your little ones will love this sweet treat!

This Halloween, you can turn the school lunch routine into a playful and memorable experience for your kids. With just a little creativity and a few ingredients, you can make lunchtime a spooktacular adventure. Happy haunting and bon appétit!

DON'T "FALL" FOR iBuyers

When selling your home, it is so important to hire a realtor who knows what they're doing and can get you top dollar for your home sale. iBuyers, like Orchard, and Redfin can often have you leaving thousands of dollars on the table. Call me so we can get you the most money.

Mandatory Stage Two Water Restrictions

Effective August 23, 2023

Due to high consumer usage, higher than normal temperatures, and water main breaks (due to dry soils) the city is at risk of losing water pressure that could lead to a boil water notice.

The City of Grand Prairie enacted mandatory Stage 2 water restrictions to help manage the use of our water supply effective August 23, 2023 until our water system can recover from drought conditions.

Restrictions are as follows:

- ▶ No watering on Tues., Wed., Thurs, Sat. and Sun. The gap in watering allows the city’s water storage tanks to recover.

Based on the last digit of your address:

- ▶ Even numbered addresses water on Mondays
- ▶ Odd numbered addresses water on Fridays
- ▶ On your watering day, avoid outdoor watering between 10 a.m. and 6 p.m.
- ▶ Foundations and new plantings may be watered using handheld and soaker hoses for up to two hours any day of the week.

Water violations may be reported in one of the following ways:

- ▶ Text Water Violation to 972-640-4789
- ▶ Online at gptx.org/waterrestrictions
- ▶ Call 972-237-8296

Find updates and more at gptx.org/waterwise.
